## **To our Annual Summer Picnic And Food Drive for Family Ties September 11, 2009 With a leadership address from Patrick Ibarra—The Mejerando Group Leading Change Isn't a Spectator Sport**

## **Leading Change Isn't a Spectator Sport**

During times of unprecedented change, leaders of organizations have the opportunity to refresh the focus and spirit of members of their workforce resulting in a higher-motivated workforce delivering superior service. This session focuses on identifying common scenarios related to managing change initiatives and how to translate the forces for change into a tailwind with practical, tactical and impactful ideas you can be using tomorrow.

To register, complete the below and return with payment to:
