## Call for 2010 MMANC Conference Committee Volunteers

**The October 15 - 17, 2010 MMANC Annual Conference - "Leading through Uncertainty - Navigating the New Normal"** is fast approaching and will be held in San Jose at the Downtown San Jose Hilton Hotel. One unique aspect about this year's conference is that it will be held in conjunction with the International County/City Management Association (ICMA) Conference scheduled for October 17-20. Special registration price breaks will be given to MMANC members who wish to attend the ICMA Conference.

The Conference Planning Committee would like to make sure that this year's conference is a worthwhile experience and includes representation from all MMANC Regions. Your participation is important and conference volunteers are needed for the Program/Educational Session and Marketing Committees.

If you would like to volunteer, contact Program / Educational Session Chairs, Phil Orr ([porr@SantaClaraCA.gov](mailto:porr@SantaClaraCA.gov)) and Christina Gilmore ([CGilmore@cityofsanmateo.org](mailto:CGilmore@cityofsanmateo.org)), or Marketing / Registration Chair, Pam Morrison ([pmorrison@ci.santa-clara.ca.us](mailto:pmorrison@ci.santa-clara.ca.us)).

General questions can be directed to Jenny Haruyama, MMANC Vice President / Conference Chair: [jharuyama@losgatosca.gov](mailto:jharuyama@losgatosca.gov).

Thank you for your support!
