# Growing Your Network with MMANC

[www.mmanc.org](http://www.mmanc.org)

The Municipal Management Association of Northern California (MMANC) is committed to the professional development of its members and others involved in municipal management. As a result, we are encouraging our members to share the benefits of MMANC membership with their colleagues and friends.

Between now and August 31, 2009, we are offering our members unprecedented incentives for participating in the Growing Your Network with MMANC rewards program. This program rewards existing MMANC members for their efforts to help expand the reach of the organization by referring prospective members. The program will count referrals submitted from July 1, 2009, through August 31, 2009.

**Expand your Network.** MMANC members have great connections to other local leaders. The more members in MMANC, the larger knowledge base you have to get answers, innovations, and career-boosting connections to help you become a great local leader.

**Diversify your Network.** Where else can you get the benefit of meeting all different kinds of people from all different kinds of backgrounds to converse around our shared passion for local government leadership?

**Share your Network.** When you invite your colleagues or classmates to join MMANC, it makes culture-building in your own organization that much better! Benefit from low-cost training and knowledge-sharing sessions that your whole team can enjoy.

## Prizes

For each new member referred, MMANC members will receive recognition and be entered into a drawing to win one of three (3) \$50 "gift certificates" to an MMANC event of your choice. A Grand Prize of a complimentary registration to the 2009 Annual Conference, valued over \$260, will be awarded to the individual member who recruits the most new members by August 31, 2009. To qualify for the Grand Prize, at least four new members must be sponsored during the time frame of the Growing Your Network with MMANC rewards program.

**For more information, please contact the MMANC by calling (866) 963-1627 or email us at [info@mmanc.org](mailto:info@mmanc.org).**

## Rules

This program is only open to current MMANC members (non-members, past members, and MMANC employees are not eligible). Participants must be members at the time the new member joins and must be a member in good standing at the time prizes are awarded. Recruits are defined as new and former members, not renewing members. Renewing members are not eligible to be recruits. Completed applications with full dues payments must be submitted indicating the name of the referring member. To qualify for the Grand Prize, no less than four new members must be recruited on or before August 31, 2009. In the event there is a tie, the grand prize winner will be selected by a random drawing. Applications must be received at MMANC on or before August 31, 2009. So, make sure to sign up a new member today!
