MUNICIPAL BONDS 101

Join MMANC and corporate partners Stone and Youngberg, LLC, & Meyers Nave for a discussion of topics including: financing options for projects, how to navigate a bond sale, how the current market affects local government and more.

A networking social event will immediately follow the workshop. Go to mmanc.org for more information.

Topics Include:

- + Financing options for projects
- + Case studies
- + How to navigate a bond sale
- + Importance of credit ratings
- + How does the current market impact you?
