Women's Leadership Summit 2010

Back to Basics

As our agencies strip away layers to get back to core services, it is time for us to do the same. Plan to join us for the Women's Leadership Summit 2010, where participants will:

- Be reminded about why we do what we do to serve our communities,
- Build relationships with colleagues and local government peers, and
- Get answers to the questions you have always wanted to ask other women in the profession.

Career Closet is BACK!

Help make a difference in another woman's life by bringing any of your old (but laundered) work-appropriate clothes to the Summit. Even better, start a Career Closet drive within your workplace and touch even more lives! Visit www.mmanc.org for more details.

Special thanks to the City of San José for your continued support of MMANC.
